

Modern loft-style living  
built for academic success

Space is limited.  
Apply today!

La Casa provides a place to live and learn alongside students from across Chicago for a truly unique college experience.

Our student support services also help you navigate the complexities of college life.

Mentor nights, guest lectures, an internship program, even movie nights: it's all part of the La Casa experience.

# La Casa is innovative student living

Experience the community and support of on-campus living

- Live with students from other universities who share your same goal to earn a bachelor's degree
- The Resource Center features a computer lab, lounge, study space, campus connection, and college and career readiness services
- Resident Assistants and La Casa staff provide guidance and academic support
- A Career Internship Program can connect you with real-world job experience

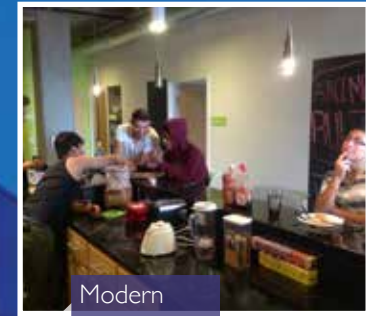

The affordability and flexibility of off-campus living

- Located near most colleges and universities in the Chicagoland area
- All utilities, cable TV, and Wi-Fi are included
- An onsite fitness center and laundry facility
- Flexible 9- and 12-month housing agreements
- Across from the CTA 18th St. Pink Line station and multiple bus routes
- In the heart of Pilsen, a vibrant community with great restaurants, shopping, and festivals

La Casa is an exciting home away from home with modern amenities, programs, and so much more.
